I agree with Amanda... To produce a newsletter of such excellent quality in such a time-scale is a credit to the people involved. WELL DONE!

:P i would also like to give a big THANK YOU to Amanda and Ashley for kindly loaning their horse Duke to my daughter for the Team Selection classes. He is such a lovely horse and being able to compete on him last weekend really helped her know what it is like to get on and ride an unknown horse in competition. I would also like to thank Mike and Sandi Austin for their words of wisdom too.
