WOW----!! We took three horses and there's all three in the first frame.

BR Champs was such a great show. Huge entries from new riders in Green as Grass and Rookie and the all day clinic with David D was fantastic value at just £35.

Look forward to next year.:) :)

Glad you were there filming DDs. I have at least 4 or 5 runs I want to order as well as the compilation video.

By the way - love that music you put on the teaser. What is it and who is it?
