This link was put on another forum - nice to see reining mentioned.....would be great to see some reps from our side of the fence in this - I am too old (apart from not meeting any of the other criteria:unsure:) any takers?

errrr.....well I suppose I am one up on you in that respect:P BUT I would struggle with the err age, winning, and reining however would most likely succeed in generally making a total idiot of myself.:unsure:
