Sadly I was unable to make it either as I had to work at short notice so it was good to see what we missed.

Is there a list available of the running order of the horses shown, just with owners' contact details so I can watch again and get in touch? I couldn't make out everything the commentator said due to background noise and missed some of the names.

I was late getting stuff done this morning cos I had to watch it all!!! - really peeved to have not been able to go but certainly grateful to the time and effort that went into organising and video-ing. Well done and hope to see more.

Just to echo previous comments...thanks very much for putting the sales parade on here. I couldnt make it on saturday due to hubby getting a bad case of 'man flu' so was really pleased to be able to look at the video today.

many thanks!!
