Got mine a few weeks ago. Maybe your neighbours took a liking to it!

Oh!

I thought it had probably been sent out.

I did put a note through the neighbours door for any of my post to be put through my door.

I hope they give it to me as i really enjoy reading my WES mag!

Contact Ursula at [membership@wes-uk.com](mailto:membership@wes-uk.com) as some of the magazine were returned to the printer as "addressee unknown" - perhaps one of them was yours!

Hope everyone is enjoying the new format and don't forget to send in YOUR experiences with Western riding, whether you show or not.

Including in that post was my Wes membership renewal and AQHA.UK renewal,plus several bills arghhhh.

Hasten to add ive posted my renewal off asap.
