
Western Rider but no horse!

Posted by limeyandyank - 2007/08/15 12:34

Hello all,

My name is Linda and I'm wanting to get back in the saddle again. If anyone knows of places/people near me, Swale/Medway (Kent) area is best but can drive. Ideally share or working trade. x cheers

For you own privacy it is no a good idea to publicly put your phone numbers on the forum. Use the PM option (private message) to send them, It's safer, you just do not know these days!!!
