Has anyone else tried to contact Free Rein? I had some queries about taking out a subscription and emailed them using the link of the Free Rein website but got no reply.

Had no problems myself - ringing or emailing. I would keep trying if I was you.

No problems here either - perhaps try to e-mail and ask Tally to contact you in case she is away from home or office - she usually gets back quickly. info@freereinmagazine.co.uk

;) Hi Muffin, I am sure there are no problems, just she is a busy girl. I have just received confirmation today of my subscription, so I suggest you email again as John suggested.

Hi everyone - if I don't respond to an email it probably hasn't got to me.

Having said that I am at 'Your Horse Live' at the moment so am not checking my emails as often as I would do usually.

Any queries, please feel free to call - 07753 757 891.

The show is going well - converting as many English riders as I can, and there has been lots of interest in the magazine which is fantastic.

There are LOADS of people out there with an interest, we just need more exposure.

If anyone wants to come say hello, I am stand 226.

Tally:)

Hello,

I did stop by the Freerein stand at YHL twice but no-one was there - Tally must have been out converting the masses!

Will have to be organised and send in subs by snail mail.....

Hi all,

YHL was great for FreeRein, loads of interested people who were unaware that western was so big in the UK.

Hundreds of mags went and subscriptions are coming in every day which is fantastic. The British Reining flyers on the stand also attracted alot of attention with around 300 picked up.

The AQHA UK stand also looked busy which is great - it was so nice to have fellow western people just down the isle.

Thanks to all those who popped in to say hi - sorry to have missed you elkay. I was indeed out and about speading the word for western (and selling some advertising while I was at it...)
