Hi All

My son, aged 19, is running in the London Marathon next April on behalf of ARC (Arthritis Research Campaign). Can I ask as many as you as possible to support him in this task? Many thanks. His webpage is

:woohoo: Well everyone, we are near to the date of the London Marathon. I am sure you are all aware of the important work that the Arthritis Research Campaign do and I would appreciate your supporting my son in raising money for them whilst running in the marathon next month. If you feel able to give, whatever amount, that would be great. please go to

so far he has achieved 50% of his target.

many thanks

:P :P :P :P Hi Everyone, update time!

For those interested Mike is running with Number 11898 on Sunday for ARC in a Red T-shirt. Let me know if you spot him as I may never see him again!!!!!! except at the beginning at Blackheath in the morning. will we meet again in the afternoon and will he still be able to walk?!?!?

I would like to thank those people who have sponsored him through justgiving.com for such a worthwhile cause.
