
Summer camp

Hi guys

got back from Summer camp yesterday tired, worn, feeling old and over the moon!

Took Ron this time and him and Rosie did barrel racing, they loved it.

Many, many thanks to Linda for organising it, David, Megan and Lucy for being so patient with us and Sarah. All Sarah seemed to do was work. The weather wasn't brilliant but the company, tuition, atmosphere, food, was.

Thanks to everybody.

Glad you had a good time! It must have been great fun! I'd love to come next year. Spoke to Karen last night who said it was great too! :cheer:
